

Levitate (feat. Otieno Terry)

Macklemore

[Verse 1: Macklemore]

I said "woo", don't make me
Break out the velour suit and the Stacey's
Give me a baseline and a break beat
Fuck around on the dance floor, make a baby, watch me
Got a cane with a gold tip
Gucci ice cream tat type flow, bitch
I could make it rain, but I won't, shit
'Cause I'm cheap, motherfucker and I don't tip (I don't)
Watch out, I'm about to pull this new watch out, ta dow
Puttin' in work, we don't clock out
How 'bout, we go and cut the rug at the pow-wow
Get to movin' and breakin' and poppin' like wild style
Electric boogaloo
She movin' that body like a booty in a hula hoop
Gave her that look like, "You don't know what I'd do to you"
And she was like "Oh my God, I just Googled you"
Jheri curl, mullet on some Mario Lopez
Last call, then we go and hit the coat check
Lyft outside, buenos noches
Now tell that motherfucker, take us back to the homestead, gone

[Chorus: Otieno Terry]

Now take your shoes off in here
We don't need to talk (we don't need to talk)
I said "I'm shooting for the moon, baby"
Now watch me walk (watch me walk)
I don't believe in gravity, honey
I'm an astronaut (I'm an astronaut)
Just wanna see you levitate, and I'ma watch (I'ma watch)[Post-Chorus: Otieno Terry]
Whoa whoa whoa (Whoa whoa whoa)
Yeah yeah yeah (Yeah yeah yeah)
Hey now (Hey now)
Alright now (Alright now)
Gon' levitate (Gon' levitate)
Gon' levitate (Gon' levitate)

[Verse 2: Macklemore]

Oh shit, she just gave me her number (number)
You now dealing with the Irish hustler (hustler)
Like a 2002 Usher (Usher)
Let that burn, nah, I'm wearing a rubber
Plaid on me, dancin' like a one man army
Turn a funeral into a dance party

Meet the Holy Ghost, I'ma catch me a body
 You don't wanna see me when I start doin' the zombie, Thriller
 Master P, barbecue chip, Percy Miller
 That's a rap snack, I'm a fat dad, got some fat abs
 Sweatin' like I'm eatin' jalapeños out in Baghdad
 You ain't on the level, got a medal for the flash dance
 You ain't fucking giggling, what the hell you getting mad at?
 I pulled up in that purple thang
 I didn't dress like Prince in Purple Rain (oh my God)
 Lions, cheetahs like the circus came
 And I should charge everybody to observe the game
 Pour shots, big up and fuck cops
 Invite the whole neighborhood to a party on my block
 Up rock a booty, juicier than a cumquat
 Boyfriend mean muggin', little buddy fuck off[Chorus: Otieno Terry]
 Now take your shoes off in here
 We don't need to talk (we don't need to talk)
 I said "I'm shooting for the moon, baby"
 Now watch me walk (watch me walk)
 I don't believe in gravity, honey
 I'm an astronaut (I'm an astronaut)
 Just wanna see you levitate, and I'ma watch (I'ma watch)[Post-Chorus: Otieno Terry]
 Whoa whoa whoa (Whoa whoa whoa)
 Yeah yeah yeah (Yeah yeah yeah)
 Hey now (Hey now)
 Alright now (Alright now)
 Gon' levitate (Gon' levitate)
 Gon' levitate (Gon' levitate)[Outro: Otieno Terry]
 Gon' get down, we gon' get down
 Get down so you gotta get up
 Don't sit down, don't sit down
 Two steppin' 'til the sun come up, come on
 We gon' get down, get down
 Get down so you gotta get up
 Don't sit down, don't sit down
 Two steppin' til the sun come up, come on
 Gon' get down, we gon' get down
 Get down so you gotta get up
 Don't sit down, don't sit down
 Two steppin' til the sun come up, come on
 We gon' get down, get down
 Get down so you gotta get up
 Don't sit down, don't sit down
 Two steppin' til the sun come up, come on
