

# I Drive Alone

Esthero

Can't move on  
But I can't go home  
And I'm not so strong  
But I'll make my way  
To the place I know  
Inside my heart  
Where I used to go  
To get brave and  
I don't want to be lost anymore  
Can't move on  
But I can't go home  
And I'm not so strong  
But I'll make my way  
To the place I've known  
Inside my heart  
Where I used to go  
To get brave and  
I don't want be lostGot to find my, got to find my, got to find my way back home  
Got to find my, got to find my, got to find my way back home  
Got to find my, got to find my, got to find my way back home  
Got to find my, got to find my, got to find my way back home  
Got to find my, got to find my, got to find my way back home  
Got to find my, got to find my, got to find my way back home  
I don't know where I go  
But I know I drive alone  
I terribly miss you  
More than you'll ever know  
You've got to come back somehow  
You've got to come back somehow  
You've got to come back somehowCan't move on  
But I can't go home  
And I'm not so strong  
But I'll make my way  
To the place I know  
Inside my heart  
Where I used to go  
To get brave and
