

# Life of a Salesman

## Yellowcard

What's a dad for, dad  
tell me why i'm here dad  
whisper in my ear  
that i'm growing up  
to be a better man, dad  
everything is fine, dad  
now that you are mine dad  
cause i know that i'm growing up  
to be a better man  
Father i will always be  
that same boy that stood by the sea  
and watched you tower over me  
now i'm older  
i want to be the same as you  
What's a dad for, dad  
tell me how to stand, dad  
took me by the hand dad  
and showed me how  
to be a bigger man, dad  
listen as you talk dad  
fallow where you walk dad  
and you know that i will always  
do the best i can  
Father i will always be  
that same boy that stood by the sea  
and watched you tower over me  
now i'm older  
i want to be the same as you  
as you  
Father i will always be  
that same boy that stood by the sea  
and watched you tower over me  
now i'm older  
i want to be the same as you  
Father i will always be  
(\*?\*?\*?\*?\*?\*?\*?)  
that same boy that stood by the sea  
(tell me it'll be okay dad, it'll be okay dad)  
and watched you tower over me  
(do the best you can dad, do the best you can dad)  
now i'm older, i want to be the same as you  
(always understood dad, always understood dad)

father i will always be  
(tell me what was right dad, tell me what was right dad)  
that same boy that stood by the sea  
(you opened up my eyes dad, opened up my eyes dad)  
and watched you tower over me  
(now i call you my dad, now i call you my dad)  
now i'm older i want to be the same as you  
(anything you want dad, anything you want dad)

The last part is hard to make out what is said in the background, and i'm not sure this is entirely correct, so if you know what it says for sure, please share!
