

Salted Wound

Sia

[Verse 1]

Don't let love get in the way
Feel the fear and do it anyway
Take the chance, no it wasn't what you know
Take her hand and don't let go

[Chorus]

Oh, yeah, and you can do it
Don't break, yeah you'll pull through it
You're safe, yes, you can do it
Don't break, yeah you'll pull through it
You're safe

[Verse 2]

Tell her all of how you feel
Give her everything she needs to hear
Give your heart, and say "come take it"
And she will see that you're a good man

[Chorus]

Oh, yeah, and you can do it
Don't break, yeah you'll pull through it
You're safe, yes, you can do it
Don't break, yeah you'll pull through it
You're safe

[Outro]

Yes, you can do it, don't break
Yeah, you'll pull through it, you're safe
