

Decode (Live at Red Rocks)

Paramore

How can I decide what's right
When you're clouding up my mind?
I can't win your losing fight
All the time How can I ever own what's mine
When you're always taking sides
But you won't take away my pride
No, not this time Not this time How did we get here?
When I used to know you so well
How did we get here?
Well, I think I know
The truth is hiding in your eyes
And it's hanging on your tongue
Just boiling in my blood
But you think that I can't see What kind of man that you are
If you're a man at all
Well, I will figure this one out
On my own (I'm screaming, "I love you so") On my own (My thoughts you can't decode)
How did we get here?
When I used to know you so well Yeah How did we get here?
Well, I think I know
Do you see what we've done?
We've gone and made such fools of ourselves Do you see what we've done?
We've gone and made such fools of ourselves
Yeeeeeeaaaah...
How did we get here?
When I used to know you so well Yeaah, yeaah, yeah
Well, how did we get here?
Well, I used to know you so well
I think I know
I think I know
There is something
I see in you
It might kill me
I want it to be true
