

After the Dance

Michael McDonald

Ooh dance with me

Come on dance with me, baby

Dance with me

Come on dance with me, baby

Dance with me

Come on dance with me, baby

Dance with me

Come on dance with me, baby

I want you and you want me

So why don't we

Get together after the dance

Ooh when I first saw you

Lookin' good on the soul train

So good

I cannot get you sharp and right

Dancin' good spinnin' everywhere

I thought to myself

You were so fine

The ways you move

So fine

She's movin' so real, I need her

What you need is me

I want you and you want me

So why don't we

Get together after the dance

While we danced

Let's break this baby

You were so fine

The way you moved me

Your eyes

Told me warm things

Oh baby, whisper out between you and me

Got to leave you my sweet lovin', baby

Nobody else's got, nobody's got my love

Except for a few, if I were you

I want you to take me with you

What'cha gonna do

I want you and you want me

So why don't we

Get together after the dance

Dance

Dance with me

Come on dance with me, baby

Dance with me

Come on dance with me, baby

Dance with me

Come on dance with me, baby

Dance with me

Come on dance with me, baby

I want you and you want me

So why don't we

Get together after the dance

I want you and you want me

So why don't we

Get together after the dance

I want you and you want me

So why don't we

Get together after the dance
