

Eye of the Tiger

Amel Bent

Risin' up, back on the street

Did my time, took my chances

Went the distance, now I'm back on my feet

Just a man and his will to survive

So many times, it happens too fast

You change your passion for glory

Don't lose your grip on the dreams of the past

You must fight just to keep them alive

It's the eye of the tiger, it's the thrill of the fight

Risin' up to the challenge of our rival

And the last known survivor stalks his prey in the night

And he's watchin' us all through the eye of the tiger

Face to face, out in the heat

Hangin' tough, stayin' angry

They stack the odds 'til we take to the street

For we kill with the skill to survive

It's the eye of the tiger, it's the cream of the fight

Risin' up to the challenge of our rival
And the last known survivor stalks his prey in the night
And he's watchin' us all in the eye of the tiger

Risin' up, straight to the top
Have the guts, got the glory
Went the distance, now I'm not gonna stop
Just a man and his will to survive

It's the eye of the tiger, it's the cream of the fight
Risin' up to the challenge of our rival
And the last known survivor stalks his prey in the night
And he's watchin' us all in the eye of the tiger

The eye of the tiger
The eye of the tiger
