

Too Much Is Never Enough

Bob Moses

You lose it all before you feel the blame
The taste that medicine won't take away
And claiming innocence don't heal the pain
It's not enough to live a life in vein
And so I go and do it all again Too much, I'm used up
Why can't I see
That too much never enough
It's never enough for me
Too much, a fool's crutch
won't set me free
Too much is never enough
It's never enough for me So even though I've been here before
It won't be long till I come back for more
And when I find myself down on the floor
I'll ask again just what I do this for
Too much, I'm used up
Why can't I see
That too much is never enough?
It's never enough for me
Too much, a fool's crutch
won't set me free
Too much is never enough,
Never enough for me
