

Famous Last Words

My Chemical Romance

[Intro]

Now, I know that I can't make you stay, but where's your heart?
But where's your heart? But where's your-
And I know there's nothing I can say to change that part
To change that part, to change...

[Verse 1]

So many bright lights, they cast a shadow, but can I speak?
Well, is it hard understanding I'm incomplete?
A life that's so demanding, I get so weak
A love that's so demanding, I can't speak

[Chorus]

I am not afraid to keep on living
I am not afraid to walk this world alone
Honey, if you stay, I'll be forgiven
Nothing you can say can stop me going home

[Verse 2]

Can you see, my eyes are shining bright, 'cause I'm out here
On the other side of a jet black hotel mirror, and I'm so weak
Is it hard understanding I'm incomplete?
A love that's so demanding, I get weak

[Chorus]

I am not afraid to keep on living
I am not afraid to walk this world alone
Honey, if you stay, I'll be forgiven
Nothing you can say can stop me going home
I am not afraid to keep on living
I am not afraid to walk this world alone
Honey, if you stay, I'll be forgiven
Nothing you can say can stop me going home

[Guitar Solo]

[Post-Chorus]

These bright lights have always blinded me
These bright lights have always blinded me, I say!

[Bridge]

I see you lying next to me with words I thought I'd never speak
Awake and unafraid, asleep or dead, 'cause
(How can I see-I see you lying, how can I see-I see you lying)
I see you lying next to me with words I thought I'd never speak
(How can I see-I see you lying, how can I see-I see you lying)
Awake and unafraid, asleep or dead! 'Cause
I see you lying next to me with words I thought I'd never speak
Awake and unafraid, asleep or dead! 'Cause
I see you lying next to me, with words I thought I'd never speak
Awake and unafraid, asleep or dead!

[Chorus]

I am not afraid to keep on living
I am not afraid to walk this world alone
Honey, if you stay, I'll be forgiven
Nothing you can say can stop me going home
I am not afraid to keep on living
I am not afraid to walk this world alone
Honey, if you stay, I'll be forgiven
Nothing you can say can stop me going home

[Outro]

I am not afraid to keep on living
I am not afraid to walk this world, alone
Honey, if you stay, I'll be forgiven
Nothing you can say can stop me going home...
