

# Love So Soft

Kelly Clarkson

[Verse 1]

Hey  
Every kiss is a door  
Can I knock on yours? Can we knock a little more?  
If your touch is a key  
Keep on twistin', keep unlockin', keep on turnin' me

[Pre-Chorus]

Let me in  
I wanna be closer to you, let you under my skin  
If I let you in  
You gotta be careful with it  
Let me tell you again (hey)

[Chorus]

Love so soft, you ain't had nothin' softer  
Break it, then you buy it, and it sure gonna cost ya  
Love so soft that you can't rub off  
You gon' love it, if you try it  
Got you hooked, now you're caught up  
Love so soft, so soft (so soft)  
Love so soft, so soft (so soft)

[Verse 2]

If a thought was the truth  
We'd be doin' all the kinds of things I know you wanna do  
But I need, need to know (need to know)  
Will you protect me, respect me if I let you close?

[Pre-Chorus]

Let (oh, let) me in (let me in, let me in)  
I wanna be closer to you, let you under my skin  
If I let (if I let) you in (let you in, let you in)  
You gotta be careful with it  
Let me tell you again (hey)

[Chorus]

Love so soft, you ain't had nothin' softer  
Break it, then you buy it, and it sure gonna cost ya  
Love so soft that you can't rub off

You gon' love it, if you try it  
Got you hooked, now you're caught up  
Love so soft, so soft (so soft)  
Love so soft, so soft (so soft)

[Bridge]

If you want this love, gotta hold it tight  
Never let it go, baby, let it give you life (give you life)  
If you want this love, gotta hold it tight  
Never let it go, baby, let it give you life

[Chorus]

Love so soft, you ain't had nothin' softer  
Break it, then you buy it, and it sure gonna cost ya (you ain't had, you ain't had it)  
Love so soft that you can't rub off  
You gon' love it if you try it  
Got you hooked, now you're caught up  
If you want this love (if you want), gotta hold it tight (if you want)  
Never let it go, baby, let it give you life  
(Love so soft) Love so soft  
(Love so soft) Oh  
If you want this love, gotta hold it tight  
Never let it go, baby  
C'mon love, c'mon, c'mon love  
Love, love, love  
Love, love, love, love  
If you want it baby  
(Love so soft, so soft, yeah)
