

# Matter of Time

Kem

Matter of time  
It's a matter of time How can we be more like your brother  
He was tall, thin and fine  
The head of his class, yeah, yeah  
And everybody liked him, hey He'd spent his whole life chasing Heaven  
But never seemed to find it  
'Cause Heaven resides right here  
On the inside, yeah And people go from bad to good in just  
The blink of an eye, oh yeah  
If they can go from bad to good I guess  
Then so can I, yeah  
It's a matter of time, yeah  
It's a matter of time, yeah He'd take us downtown to the mission  
Over on Mack and Third  
To hear some of the strangest sounds  
We'd ever heard, yeah He'd say that bad things, they happen  
But it's all divine please  
Don't let this crazy cruel world  
Make you blind 'Cause people go from bad to good in just  
The blink of an eye, oh yeah  
If they can go from bad to good I guess  
Then so can I, yeah It's a matter of time  
It's a matter of time, yeah  
It's a matter of time, yeah  
It's a matter of time, yeah It's a matter time before I  
Find my way home  
It's a matter of time before  
I get it together It's a matter of time  
Boys and girls, it's a matter of time  
A matter of time  
It's a matter time, yeah  
Sweet time, yeah
