

# Suggestion

## Fugazi

Why can't I walk down a street free of suggestion? (repeat)  
Is my body my only trait in the eyes of men? (in the eyes of men)I've got some skin  
You want to look inThere lays no reward in what you discover  
You spent yourself watching me suffer  
Suffer your words, suffer you eyes, suffer your hands  
Suffer your interpretation of what it is to be a manI've got some skin  
You want to look in  
She does nothing to deserve it  
He only wants to observe it  
We sit back like they taught us  
We keep quiet like they taught usHe just wants to prove it  
She does nothing to remove it  
We don't want anyone to mind us  
So we play the roles that they assigned us  
She does nothing to conceal it  
He touches her 'cause he wants to feel it  
We blame her for being there  
But we are all guilty
