

West (feat. Daniel Caesar)

River Tiber

On the road
Nowhere to go
The bluest note
I speak in code
So only you'll know
Own what you hold
And hold your own
Till I come home
If I come home
Cause I'm flowing west, I'm flowing west, I'm flowing west I'm flowing west, I'm flowing west,
I'm flowing west
I'm flowing west, I'm flowing west, I'm flowing west
On the road
Nowhere to go
I lost my home
So long ago
Tell me you'll miss me (Tell me you'll miss me)
Back in the city
This stream flows quickly
You can't come with me
