

# Jesus (feat. Patti LaBelle & Ronald Isley)

## Kem

Kem's verse  
It was the night  
the night of His birth  
Heaven was satisfied  
that there would be Peace on earth  
All creation every power every life  
would call on His name  
Children love has arrived  
and you know the world will  
never truly be the same (say it) Jesus. Jesus. Jesus  
He's my refuge  
Jesus. Jesus. Jesus.  
He's my tower, my friend  
Jesus. Jesus. Jesus.  
He came to my rescue.  
And I, I don't understand it  
but I know the love He's giving me will never end  
Patti Labelle's verse  
There is joy in the world  
Because my Savior reigns  
He's the source of my strength  
Lord of Lords King of Kings  
My salvation. My redeemer  
In the face of all I fear.  
He is love without compromise  
And I know that He's the reason  
that I'm standing here Jesus. Jesus. Jesus.  
He's my savior. (He's my savior, oh yea)  
Jesus. Jesus. Jesus.  
He's my power, my strength (my power, my strength)  
Jesus. Jesus. Jesus.  
He's the source of my joy. I give Him all my devotion, hey  
'Cause I know that I will never be the same again.  
Jesus is the love of my life  
He's my provider  
He's my hope when I fall  
Jesus is the love of my life  
There when I need Him  
When nobody else'll call,  
He's right on time  
Jesus is the love of my life  
He gave me power, the faith to stand, hey

Jesus is the love of my life. of my life  
And I wanna thank you Lord  
'Cause I know that I will never be alone again Ron Isley's verse  
I wanna talk to you... about Jesus  
Jesus is the love of my life  
He saved my life  
When I couldn't stand up straight  
Couldn't sing the songs I like to sing  
(lada-dada-da-da-da)  
I wanna talk to you... about Jesus  
He gave me a chance, woo, thank ya Lord  
If it wasn't for Jesus, I wouldn't be here today  
'cause I don't deserve it Lord, I know that you love me  
So I just ask Jesus (just ask Jesus)  
And I keep on asking Jesus  
Lord I know you set me free  
Thank ya Jesus. Thank ya Jesus. Thank ya Jesus.  
You can call on him  
when you need a friend  
When your brother can't be a friend  
You can call on Jesus.
