

Million Reasons

Lady Gaga

You're giving me a million reasons to let you go
You're giving me a million reasons to quit the show
You're giving me a million reasons
Give me a million reasons
Giving me a million reasons
About a million reasons If I had a highway, I would run for the hills
If you could find a dry way, I'd forever be still
But you're giving me a million reasons
Give me a million reasons
Giving me a million reasons
About a million reasons I bow down to pray
I try to make the worst seem better
Lord, show me the way
To cut through all his worn out leather
I've got a hundred million reasons to walk away
But, baby, I just need one good one to stay Head stuck in a cycle, I look off and I stare
It's like that I've stopped breathing, but completely aware
'Cause you're giving me a million reasons
Give me a million reasons
Giving me a million reasons
About a million reasons And if you say something that you might even mean
It's hard to even fathom which parts I should believe
'Cause you're giving me a million reasons
Give me a million reasons
Giving me a million reasons
About a million reasons I bow down to pray
I try to make the worst seem better
Lord, show me the way
To cut through all his worn out leather
I've got a hundred million reasons to walk away
But, baby, I just need one good one to stay Oh, baby, I'm bleeding, bleeding, ey...
Can't you give me what I'm needing, needing? Every heartbreak makes it hard to keep the faith
But, baby, I just need one good one
Good one, good one, good one, good one, good one When I bow down to pray
I try to make the worst seem better
Lord, show me the way
To cut through all his worn out leather I've got a hundred million reasons to walk away
But, baby, I just need one good one, good one
Tell me that you'll be the good one, good one
Baby, I just need one good one to stay
