

# Heaven

## O.A.R.

E-oh, e-oh I'm underneath it all tonight  
Out my window there's a million lights  
A thousand hearts feeling just like me  
Man, it feels like heaven out here in the street I know I got a lot to learn  
Breaking bottles only left me hurt  
Played with fire till I burned myself  
Don't you know that love will bring us somewhere else So you take the left, I'll take the right  
Under arrest, we're under fire, yeah  
Oh, oh, oh, oh  
I don't wanna go to heaven if I can't get in  
You take the low, I'll take the high  
You lock the gate, I hear the choir, yeah  
Everybody got a problem with the way I live  
I don't wanna go to heaven if I can't get in Maybe I should take my time  
And build this life by my own design  
With no direction and it's in between  
Everything I love and everything I need So bring it back, all I want is understanding  
To live my life the way that I planned it  
Wouldn't change a thing  
Man, it feels like heaven underneath my feet So you take the left, I'll take the right  
Under arrest, we're under fire, yeah  
Oh, oh, oh, oh  
I don't wanna go to heaven if I can't get in  
You take the low, I'll take the high  
You lock the gate, I hear the choir, yeah  
Everybody got a problem with the way I live  
I don't wanna go to heaven if I can't get in So raise 'em up, raise 'em up  
All I ever wanted was a shot at your love  
I know and I believe  
Everything we got is everything we need Oh, love will get you higher  
It set my heart on fire  
I know it's what you see  
Don't wanna go to heaven if they don't want me 'Cause I'm no criminal  
I'm not your enemy  
All I have is life  
And I don't wanna go to heaven if I can't get in So you take the left, I'll take the right  
Under arrest, we're under fire, yeah  
Oh, oh, oh, oh  
I don't wanna go to heaven if I can't get in You take the low, I'll take the high  
You lock the gate, I hear the choir, yeah  
Everybody got a problem with the way I live  
I don't wanna go to heaven if I can't get in Oh, oh

Raise 'em up, raise 'em up  
Everything you wanted is inside your cup  
Drink up, love will get you higher, oh, ohOh, I'm not your enemy  
I never met no criminal  
And in the end I'd do it again  
I don't wanna go to heaven if I can't get in, ohOh, I'm not a criminal  
Yeah, I'm no enemy  
It's just the way I live  
I don't wanna go to heaven if I can't get in
