

Til I Get to My Driveway

Sunny Ledford

I was driving home late last Friday night
Looked in my
rearview mirror and saw two blue lights

There's a cop car behind me

They were pulling me over I had a license plate that
said the waytonc

I said officer I'm just gonna go catch some trout
He said don't be dumb boy you know what this stop is
all about

I said officer,

I ain't gonna drink no more beer,

I ain't gonna smoke no more pot,

I ain't gonna do no more shots

Til I get to my driveway, and you know that it's on,

Ill be headed for the whiskey, I'm gonna get myself
stoned

I've been hanging out at Topsy's doing every shot that
came along

When I get to my driveway I know that bitch is gonna be
gone.

That cop let me go, cause it was my good friend Rodney

He said that he was gonna follow me home make sure I
made it there ok

See I left the bar at bout quarter til three

My cell phone was ringing it was my goddamn girl
calling me

She said stop spending money on drinks I need a diamond
ring

Needless to say the kept on saying the same old thing,

I said I'll be in the driveway by 4 AM

And honey I just can't wait to see you again

And I promise...

I ain't gonna drink no more beer,

I ain't gonna smoke no more pot,

I ain't gonna do no more shots

Til I get to my driveway, and you know that it's on,

Ill be headed for the whiskey, I'm gonna get myself
stoned

I've been hanging out at Tippy's doing every shot that
came along

When I get to my driveway I know that bitch is gonna be
gone.
