

Amen

CG5

[Verse 1]

He comes out of the shadows
To offer me his blessings
Emerging from the darkness
I pray you hear me, Bendy

I hope you've come to save me
From this corrupted body
I've done so much to please you
Please do the same for me[Pre-Refrain]

I am your disciple
You know that's true
Look at everything
I've done for you
You're here and there
And everywhere
My love and sacrifice I've shared[Refrain]

Can I get an AMEN
AMEN
Can I get an AMEN
OH OH AMEN[Verse 2]

These pipes, they flow together
These pipes, they flow... Forever and ever!
The cogs and gears are turning
So that you may live here, Bendy

The plans of this "silly vision"
Have come into fruition
But you've written your own story...
And it's like nothing I've ever seen![Pre-Bridge]

I've orchestrated music for the episodes
Of this sick and twisted little children's show
And now I see you everywhere
Sacrifice is all I've shared[Bridge]

Can I get an AMEN
{ Instrumental part }

Quake in fear
For he is near
Waiting for you to take a step in here
If you run you cannot hide
You're in danger the moment you arrive
Why not relax? C'mon have some soup
It's probably gonna be the last thing you do
If you really don't wanna die...
KEEP ON RUNNING FOR YOUR LIFE[Pre-Refrain]

I am your disciple
You know that's true
Look at everything
I've done for you
You're here and there
And everywhere
My love is all i've shared[Refrain]

Can I get an AMEN
(Amen, Aaaaamen mhhmhh)
(Amen, Aaaaamen mhhmhh)
(Amen, Aaaaamen mhhmhh)
(Amen, Aaaaamen mhhmhh)
Amen
Amen
Amen, Amen, Amen, Amen
