

# Strict Machine

Goldfrapp

I get high on a buzz  
Then a rush when I'm plugged in you  
I connect when I'm flush  
You get love when told what to do Wonderful electric  
Wonderful electric  
Wonderful electric  
Cover me in you I'm in love, I'm in love  
I'm in love with a strict machine  
I'm in love, I'm in love  
I'm in love with a strict machine  
When you send me a pulse  
Feel a wave of new love through me  
I'm dressed in white noise  
You know just what I want, so please Wonderful electric  
Wonderful electric  
Wonderful electric  
Cover me in you I'm in love, I'm in love  
I'm in love with a strict machine  
I'm in love, I'm in love  
I'm in love with a strict machine I'm in love I'm in love, I'm in love  
I'm in love with a strict machine  
I'm in love, I'm in love  
I'm in love with a strict machine  
I'm in love, I'm in love  
I'm in love with a strict machine  
I'm in love, I'm in love  
I'm in love with a strict machine
