

Breakaway

Kelly Clarkson

[Verse 1]

Grew up in a small town
And when the rain would fall down
I'd just stare out my window
Dreaming of what could be
And if I'd end up happy
I would pray (I would pray)

[Verse 2]

Trying hard to reach out
But when I tried to speak out
Felt like no one could hear me
Wanted to belong here
But something felt so wrong here
So I prayed (I would pray) I could break away

[Chorus 1]

I'll spread my wings and I'll learn how to fly
I'll do what it takes 'til I touch the sky
And I'll make a wish, take a chance, make a change
And breakaway
Out of the darkness and into the sun
But I won't forget all the ones that I love
I'll take a risk, take a chance, make a change
And breakaway

[Verse 3]

Wanna feel the warm breeze
Sleep under a palm tree
Feel the rush of the ocean
Get onboard a fast train
Travel on a jet plane, far away (I will)
And breakaway

[Chorus 1]

I'll spread my wings and I'll learn how to fly
I'll do what it takes 'til I touch the sky
And I'll make a wish, take a chance, make a change
And breakaway
Out of the darkness and into the sun

I won't forget all the ones that I love (I gotta)
I'll take a risk, take a chance, make a change
And breakaway

[Bridge]

Buildings with a hundred floors
Swinging around revolving doors
Maybe I don't know where they'll take me, but
Gotta keep moving on, moving on
Fly away, breakaway

[Chorus 2]

I'll spread my wings and I'll learn how to fly (Learn how to fly)
Though it's not easy to tell you goodbye
I gotta take a risk, take a chance, make a change
And breakaway
Out of the darkness and into the sun
But I won't forget of the place I come from
I gotta take a risk, take a chance, make a change
And breakaway

[Outro]
