

# New Americana

## Halsey

Cigarettes  
And tiny liquor bottles  
Just what you'd expect  
Inside her new Balenciaga  
Viral mess  
Turned dreams into an empire  
Self-made success now she rolls with Rockafellers  
Survival of the richest  
The city's ours until the fall  
They're Monaco and Hamptons bound  
But we don't feel like outsiders at all  
We are the new Americana  
High on legal marijuana  
Raised on Biggie and Nirvana  
We are the new Americana  
Young James Dean  
Some say he looks just like his father  
But he  
Could never love somebody's daughter  
Football team  
Loved more than just the game  
So he vowed to be  
His husband at the altar  
Survival of the richest  
The city's ours until the fall  
They're Monaco and Hamptons bound  
But we don't feel like outsiders at all  
We are the new Americana  
High on legal marijuana  
Raised on Biggie and Nirvana  
We are the new Americana  
We know very well  
Who we are  
So we hold it down  
When summer starts  
What kind of dough  
Have you been spending?  
What kind of bubblegum  
Have you been blowing lately?  
We are the new Americana  
High on legal marijuana  
Raised on Biggie and Nirvana  
We are the new Americana  
We are the new Americana  
High on legal marijuana  
Raised on Biggie and Nirvana  
We are the new Americana
