All Fall Down

OneRepublic

Step out the door and it feels like rain
That's the sound, that's the sound on your window pain
Take to the streets but you can't ignore
That's the sound, that's the sound you're waiting forIf ever your world starts crashing down
Whenever your world starts crashing down
Whenever your world starts crashing down
That's when you find meYeah, God love your soul and your aching bones
Take a breath, take a step, meet me down below
Everyone's the same, our fingers to our toes
We just can't get it right, but we're on the roadIf ever your world starts crashing down
Whenever your world starts crashing down
Whenever your world starts crashing down
That's where you'll find me
Yeah, lost till you're found
Swim till you drown
Know that we all fall down
Love till you hate
Strong till you break
Know that we all fall downIf ever your world starts crashing down
Whenever your world starts crashing down
If ever your world starts crashing down
That's where you'll find, find meLost till you're found
Swim till you drown
Know that we all fall down
Love till you hate
Strong till you break
Know that we all fall down
All fall down, we all fall down, all fall down
We all fall down, we all fall down, all fall downLost till you're found
Swim till you drown
Know that we all fall down
Love till you hate
Strong till you break
Know that we all fall down
