

Take You Down

Chris Brown

[Intro]

Yeah

Do-do-do, do-do-do

Damn, baby

I want you

[Verse 1]

Woah, here we are, all alone in this room, oh
And girl, I know where to start and what we gonna do, yeah
I'll take my time, we'll be all night, girl
So get ready, babe, I got plans for me and you
Woah, woah, ooh

[Pre-Chorus]

It ain't my first time, but baby girl, we can pretend (Hey!)
Let's bump and grind, and girl, tonight will never end

[Chorus]

Let me take you down
I really wanna take you down and show you what I'm about
Can I take you down?
Your body, body, oh, oh, your body, body up and down
So don't stop, girl, get it
Quit playing with it, can't wait no more
I wanna take you down
I really wanna take you down, take you down, yeah

[Verse 2]

Pretty girl, let's take it off in this room
No time to waste, girl, you know what we came to do, woah-woah-woah
We got all night to try to get it right, girl
I hope you're ready, hope you're ready, hope you're ready
I hope you're ready, babe 'cause here we go, you know how we do, oh

[Pre-Chorus]

It ain't my first time (No), but baby girl, we can pretend (Hey!)
Let's bump and grind (Come on), and girl, tonight will never end (Ha)

[Chorus]

Let me take you down

I really wanna take you down and show you what I'm about (I'm about)
Can I take you down? (Oh yeah)
Your body, body, oh, oh, your body, body up and down
So don't stop, girl, get it
Quit playing with it, can't wait no more (I can't wait no more)
I wanna take you down
I really wanna take you down, I really wanna take you down, yeah

[Bridge]
(I want you, ah-ah-ah)
Freakin', oh baby, like a pro, baby
And I bet that you
(I bet you, woah-woah, ah-ah-ah)
Think ya know, baby, like your grown, baby
So what you wanna do?
I'm gonna take you down, baby, nice and slow
So bring it, let's go, baby
(Woah-woah-woah, huh)
Yeah, yeah, baby (Woah)
Come on, baby, come on, baby
Come on, baby, let me take you down

[Chorus]
Let me take you down (Oh)
I really wanna take you down and show you what I'm about
(Let me show you, let me do it to you like I wanna do)
Can I take you down? (Woah)
Your body, body, oh, oh, your body, body up and down (Yeah, yeah, yeah, yeah)
(Your body up, your body, body, body up)
So don't stop, girl, get it (Oh)
Quit playing with it (Oh), can't wait no more (I can't wait no more)
I wanna take you down
I really wanna take you down, take you down, yeah

[Outro]
Take you down (Ha, woah)
I said I wanna take you down, yeah, yeah
Let me take you down, take you down
Take you down
All the way down, all the way down (Woah)
We can do some things, going all the way down
Take you down
Take you down (Ha, woah)
