

Beside You

Marianas Trench

When your tears are spent
On your last pretense
And your tired eyes refuse to close
And sleep in your defence
When it's in your spine
Like you've walked for miles
And the only thing you want it just to
Be still for a while. And if your heart wears thin
I will hold you up
And I will hide you
When it gets too much
I'll be right beside you
I'll be right beside you
When you're overwhelmed
And you've lost your breath
And the space between the things you know is blurring nonetheless.
When you try to speak
But you make no sound
And the words you want are out of reach
But they've never been so loud. And if your heart wears thin
I will hold you up
And I will hide you
When it gets too much
I'll be right beside you
I'll be right beside you I will stay (right beside...)
Nobody will break you. Trust in me
Trust in me
Don't pull away
Just trust in me
Trust in me
I'm just trying to keep this together
Because i could do worse and you could do better When your tears are spent
On your last pretense
And your tired eyes refuse to close
And sleep in your defence And if your heart wears thin
I will hold you up
And I will hide you
When it gets too much
I'll be right beside you
Nobody will break you And if your heart wears thin
I will hold you up
And I will hide you

When it gets too much
I'll be right beside you
Nobody will break you
