

# Burnin' Up

## Jonas Brothers

[Verse 1: Joe Jonas]

I'm hot, you're cold  
You go around like you know  
Who I am, but you don't  
You've got me on my toes

[Chorus: Nick Jonas]

I'm slipping into the lava  
And I'm trying to keep from going under  
Baby, who turned the temperature hotter?  
'Cause I'm burnin' up, burnin' up for you, baby  
Come on, girl

[Verse 2: Joe Jonas & Nick Jonas]

I fell (I fell) so fast (So fast)  
Can't hold myself back  
High heels (High heels), red dress (Red dress)  
All by yourself, gotta catch my breath

[Chorus: Nick Jonas]

I'm slipping into the lava  
And I'm trying to keep from going under  
Baby, who turned the temperature hotter?  
'Cause I'm burnin' up, burnin' up for you, baby

[Bridge: Nick Jonas]

Walk in the room, all I can see is you, oh  
Staring me down, I know you feel it, too

[Breakdown: Nick Jonas]

I'm slipping into the lava  
And I'm trying to keep from going under  
Baby, who turned the temperature hotter?  
'Cause I'm burnin' up, burnin' up for you, baby

[Chorus: Nick Jonas]

Slipping into the lava  
And I'm trying to keep from going under  
Baby, who turned the temperature hotter?

'Cause I'm burnin' up, burnin' up for you, baby

[Verse 3: Big Rob & (The Jonas Brothers)]

Yo, we're burning up in this place tonight  
Your Brothers sing it loud (And we're feeling right)  
Get up and dance (Don't try and fight it)  
Big Rob's for real (And that's no lie)  
Stop, drop and roll (And touch the floor)  
(It keeps on burnin' up) more and more  
I got JB with me (Laying it down)  
Come on boys, let's bring the chorus around

[Chorus: Nick Jonas & Big Rob]

I'm slipping into the lava  
And I'm trying to keep from going under (Yeah)  
Baby, who turned the temperature hotter? (Come on, man)  
'Cause I'm burnin' up, burnin' up for you, baby

[Outro: Nick Jonas & Big Rob]

Burnin' up (Sup?), burnin' up for you, baby
