

Treat Me Like Fire

LION BABE

(Treat me like) Treat me like
(Treat me like) Treat me like
(Fire) Fire, (Fire) Fire
(Into the pain) Into the pain
(Into the pain) Into the pain Hey boy, I like your style
come over here, let's talk awhile
yeah you, I'm curious
what we would do, the two of us
what would you like to do, do?
I'll duce to you, too
My eyes, my lips, my hair
If you're good we'll go from there.
I'm feeling you, and I know that you want me, too
In the end I'm doing me, that's all you got to see
Hey, that's just how it is, but I got a touch of this
I'm a bit too dangerous, If you want me you should just.
(Treat me like) Treat me like
(Treat me like) Oh Oh
(Fire) Fire, (Fire) uh-Fire
(Into the pain) Into the pain
(Into the pain) Into the pain I'm in the light, I glow
but you know not to touch me, cause it might burn
if it don't work
But soon you'll see the truth after the smoke
Woah ohohoh ah ah
ah ah ah ah, ah ah
ah ah ah ah, ah ah x2
uh fire!
ah ah, fire ooooooh x3
ah ah, ah ah ah ah ah ah ah ah ahhh
(Treat me like) Treat me like
(Treat me like) Treat me like
(Fire) Fire, (Fire) Fire
(Into the pain) Into the pain
(Into the pain) Into the pain I got go now, got, got to go now
Boy, the things you do
make me want to run and never hurt you
Understand just how I am
might be too much for you
either way I'm telling you (Treat me like) Treat me like
(Treat me like) Treat me like
(Fire) Fire, (Fire) uh-Fire

(Into the pain) Into the pain
(Into the pain) Into the pain
(Treat me like) Treat me like
(Treat me like) Honey, treat me like
(Fire) Fire, (Fire) Fire
(Into the pain)
(Into the pain)
