

# When I Come Around

## Green Day

Oh I heard you cryin' loud  
All the way across town  
You've been searching for that someone  
And it's me out on the prowl  
As you sit around feeling sorry for yourself Well don't get lonely now  
And dry your whining eyes  
I'm just roaming for the moment  
Sleazing my backyard so don't get  
So uptight you've been thinking about ditching me  
No time to search the world around  
'Cause you know where I'll be found  
When I come around Oh I heard it all before  
So don't knock down my door  
I'm a loser and a user  
So I don't need no accuser  
To try and slag me down because I know you're right So go, do what you like  
Make sure you do it wise  
You may find out that yourself doubt  
Means nothing was ever there  
You can't go forcing somethin' if it's just not right No time to search the world around  
'Cause you know where I'll be found  
When I come around  
No time to search the world around  
'Cause you know where I'll be found  
When I come around  
Oh, when I come around  
Oh, when I come around  
When I come around
