Hey, I've got a mouth full of cavities  
Sweet tooth, full of mama, like sugar to me  
So my love with the lips, put a bug in the ear tone  
Shawty gotta kiss, it's an emergency  
Spit sprung for the taste, addicted to her gloss  
Won't smile this way, baby I rub it off  
Put my tongue in your face  
A little mistletoe, sippin' Gram I A  
I'm a fan all day  
Do me that favor, cuz I like your flavor  
My manage behavior; I'm into your major  
Sweeter so flavor, that's good for this player  
My hood, now and later, throw back like a pager  
Pretty much, you're givin' me a sugar rushLil mama, give me high blood pressure when you

Lips feel soft as a feather when we touch,
