Up!

Shania Twain

It's bout as bad as it could be
Seems everybody's buggin' me
Like nothing wants to go my way - yeah, it just ain't my day
Nothin's comin' easilyEven my skin is acting weird
I wish that I could grow a beard
Then I could cover up my spots - not play connect the dots
I just wanna disappearUp, up, up - Can only go up from here
Up, up, up - Up where the clouds gonna clear
Up, up, up - There's no way but up from hereEven something as simple as
Forgettin' to fill up on gas
There ain't no explaination why - things like that can make you cry
Just gotta learn to laugh
Up, up, up - Can only go up from here
Up, up, up - Up where the clouds gonna clear
Up, up, up - There's no way but up from hereOh yeah, yeah, yeah...When everything's goin'
wrong
Don't worry, it won't last for long
Yeah, it's all gonna come around
Don't let it get you down
You gotta keep on holding onIt's bout as bad as it could be
Seems everybody's buggin' me
Like nothing wants to go my way - yeah, it just ain't my day
Nothin's comin' easilyUp, up, up - Can only go up from here
Up, up, up - Up where the clouds gonna clear
Up, up, up - There's no way but up from here
Oh - I'm going up
Oh - I'm going up
Oh - I'm going up
Oh - I'm going up
Oh yeah, yeah, yeah...
