

Read My Mind (feat. Mainland)

Rynx

I was a monster, you were a saint
I know it still hurts, but no one's to blame
You and I, meant to fly You, you, you You read my mind
You read my mind
You read my mind
You read my mind
You We both want the same things, darling
And money can't buy back our wasted time
(Wasted time)
Lying awake at 4 in the morning
I can't fight these feelings deep inside
(Deep inside, yeah)
I was a monster (I was a monster)
You were a saint (You were a saint)
I know it still hurts, but no one's to blame
(No one, no one, no one)
You and I, meant to fly
You, you, you You read my mind (Eh)
You read my mind (Eh)
You read my mind (Yeah)
You read my mind
You, you read my mind (Eh)
You read my mind
You read my mind We both want the same things, darling (Yeah, babe)
Young and broke, but it don't matter now
Driving away, come on, grab all your belongings
We can start a whole new chapter now
Ooh, ooh
Ooh, ooh You read my mind (Ooh, eh)
You read my mind (Ooh, eh)
You read my mind (Ooh, yeah)
You read my mind (Ooh)
You Ooh, ooh
Ooh, ooh
