

Mystical Reggae (feat. Jah Cure)

Alborosie

[Intro]

Mystical Reggae

[Chorus: Jah Cure]

History of Reggae

We have come a long long way (yeah yeah, yeah yeah, yeah yeah, oooh)

Mystical Reggae

Music that the I-Drems love to play (yeah yeah, yeah yeah, yeah yeah)

[Verse 1]

From then till now we nah stop now

The seed 'affi plant and grow

Must say I'm proud to see its growth

From the vinyl shops to sound cloud

While the pioneers who set it

Me give credit

Too much to mention

But I don't forget it

Wise up yourself like King Solomon weed

Teach yourself some history

[Chorus: Jah Cure]

History of Reggae

We have come a long long way (yeah yeah, yeah yeah, yeah yeah, oooh)

Mystical Reggae

Music that the I-Drems love to play (yeah yeah, yeah yeah, yeah yeah)

[Verse 2]

Everything start from scratch

From when the artist them a' do it for the love an' not cash

Long before the first sound clash

Long before sting, rebel, salute

Sunfest and sunsplash

When yuh shirt and pants mismatch

An' mama tell me no bother with the locks

And di dance ram from 10 o'clock

Selector play Dennis Brown, Bob Marley and Tosh

[Chorus: Jah Cure]

History of Reggae

We have come a long long way (yeah yeah, yeah yeah, yeah yeah, oooh)

Mystical Reggae

Music that the I-Drems love to play (yeah yeah, yeah yeah, yeah yeah)

[Verse 3]

I'm looking through the eyes of a rebel

I see their corruption in red

And just like my foreparents did too

I'm keeping it dreadder than dread

Steppin in Bablyon wit no fear

Sing against the people and never give care

Chant like Abyssian's Burning Spear

There's a natural mystic inna di air

[Chorus: Jah Cure]

History of Reggae

We have come a long long way (yeah yeah, yeah yeah, yeah yeah, oooh)

Mystical Reggae

Music that the I-Drens love to play (yeah yeah, yeah yeah, yeah yeah)

[Outro: Jah Cure]

History of Reggae

We have come a long long way (yeah yeah, yeah, wooahhh)

I said mystical reggae..
