

This Is How We Roll (feat. Luke Bryan)

Florida Georgia Line

The mixtape's got a little Hank, little Drake
A little somethin' bumpin' thump, thumpin' on the wheel ride
The mix in our drink's a little stronger than you think
So get a grip, take a sip of that feel right
The truck's jacked up, flat bills flipped back
Yeah you can find us where the party's at This is how we roll-oh-oh-oh-oh-oh-oh-oh
We hangin' 'round singing out everything on the radio-oh-oh-oh-oh-oh-oh-oh
We light it up with our hands up This is how we roll
This is how we do
We're burnin' down the night shootin' bullets at the moon baby
This is how we roll-oh-oh-oh-oh-oh-oh-oh-oh
Yeah baby this is how we roll
We rollin' into town
With nothing else to do we take another lap around
Yeah holla at your boy if you need a ride, let's go! If you roll with me yeah you know we rollin'
high
Up on them 37 nittos, windows tinted hard to see though
How fresh my baby is in the shotgun seat-o Them kisses are for me though, automatic like a
free throw
This life I live it might not be for you but it's for me though
Let's roll! This is how we roll-oh-oh-oh-oh-oh-oh-oh-oh
We hanging' 'round singing out everything on the radio-oh-oh-oh-oh-oh-oh-oh-oh
We light it up with our hands up This is how we roll
This is how we do
When the world turns ugly I just turn and look at you baby
This is how we roll-oh-oh-oh-oh-oh-oh-oh-oh
Hey y'all, let Lil B sing a tune Yeah we're proud to be young
We stick to our guns
We love who we love and we wanna have fun
Yeah we cuss on them Mondays
And pray on them Sundays
Pass is around and we dream about one day This is how we roll-oh-oh-oh-oh-oh-oh-oh-oh
We hanging' 'round singing out everything on the radio-oh-oh-oh-oh-oh-oh-oh-oh
We light it up with our hands up, ah yeah This is how we roll
This is how we ride
We slingin' up the mud, cuttin' through the countryside baby
This is how we roll-oh-oh-oh-oh-oh-oh-oh-oh Yeah this is how we roll, this is how we roll, yeah
baby how we roll
This is how we roll
This is how we do
We're burnin' down the night shootin' bullets at the moon baby
This is how we roll-oh-oh-oh-oh-oh-oh-oh-oh One more time, boys, let's go

Yeah this is how we roll-oh-oh-oh-oh-oh-oh-oh-oh
