

Jingle of a Dog's Collar

Butthole Surfers

I was lookin' for the main line when I was
Workin' through a friend of mine but I
 Couldn't seem to find the time
 What do they know about love
 What do they know about love
What do they know about love my friend
 What do they know about love
The Jingle of a Dog's Collar would be good right here
 The Jingle of a Dog's Collar would be fine
The Jingle of a Dog's Collar would be good right here
 The Jingle of a Dog's Collar would be fine
 What do they know about love
 What do they know about love
What do they know about love my friend
 What do they know about love
The Jingle of a Dog's Collar would be good right here
 The Jingle of a Dog's Collar would be fine
The Jingle of a Dog's Collar would be good right here
 The Jingle of a Dog's Collar would be fine
I was looking for the main line when I was
 workin' for a friend of mine
 What do they know about love
 What do they know about love
