(I'ma fuck up my life...)I'ma fuck up my life

We gon' party all night
She don't care if I die
Yeah right, yeah right
Yeah I bet you won't cry
Yeah I bet you won't try
But you know I don't mind
But you know I don't mindYeah right, yeah right
Yeah right, yeah right
Yeah right, yeah right
Yeah, you better know that she ain't
Never give a single fuck about me
Yeah, you bet you know that we ain't
Ever gonna be together, I see
Yeah, you better go to see her when
I'm feeling like I'm drunk without a need
Yeah, you dance so good
And I think that's kinda neatWhat you know about love?
What you know about life?
What you know about blood?
Bitch you ain't even my type
Yeah right, yeah right
Yeah, you know I feel right
Yeah, you need it right now
You don't ever pick sides
Yeah right, yeah right
I'm overthinking my pride
I don't know how to look nice
She's just feelin' my eyes
She's just feelin' my..
Yeah, you better know that she ain't
Never give a single fuck about me
Yeah, I bet you know that we ain't
Ever gonna be together, I see
Yeah, you better go to see her when
I'm feeling like I'm drunk without a need
Yeah, you dance so good
And I think that's kinda neat
