

# Breakdown

## Jack Johnson & Jake Shimabukuro

I hope this old train breaks down  
then I could take a walk around  
and, see what there is to see  
time is just a melody  
With all the people in the street  
walking as fast as their feet can take them  
I just roll through town  
And though my windows got a view  
Well the frame im looking through  
seems to have no concern for me now  
so for now I need this  
old train to breakdown  
oh please just  
let me please breakdown  
Well this engine screams out loud  
Saying this beat gonna crawl westbound  
so I dont even make a sound  
Because its gunna sting me when I leave this town  
And all the people in the street  
that i'll never get to meet  
if these tracks dont bend somehow  
and I got no time  
that I got to get to  
where I dont need to be  
So I need this  
old train to breakdown  
oh please just  
let me please breakdown  
I need this  
old train to breakdown  
oh please just  
let me please breakdown I want to break on down  
but I cant stop now  
let me break on down But you cant stop nothing  
if you got no control  
of the thoughts in your mind  
that you kept and you know  
you dont know nothing  
but you dont need to know  
the wisdoms in the trees  
not the glass windows  
You cant stop wishing

If you dont let go  
of the things that you find  
and you lose, and you know  
you keep on rolling  
put the moment on hold  
the frames too bright  
so put the blinds down low I need this  
old train to breakdown  
oh please just  
let me please breakdown  
I need this  
old train to breakdown  
oh please just  
let me please breakdown  
I got to break on down  
but I cant stop now
