

# Heaven Help Me

Lizzo

Heaven help me, if love ain't dead, I'ma kill it 'cause it's killing me

Cold world, they'll be living in a fantasy

Got me, it's the only thing I'll ever need

Heaven help me, if love ain't dead, I'ma kill it 'cause it's killing me

Love is a drug, methamphetamine

D-A-R-E, they'll be hooked on me

Y'all who you think you sassin'?

Say, whoa, baby, I'm a classic

Say, whoa, something like a Hitchcock

Say, whoa, got you going psycho

Oh, no, don't you get your shit rocked

Say, whoa, catch you with the tick tock

Say, whoa, time's up on these motherfuckers

Say, whoa, what you say, what you say, sucker?

Say, what, what you say?

If you think you've got me dickmatized (Oh, yeah, oh, yeah, oh, yeah)

I need to get you out of my life, can I get an amen?

Heaven help me, if love ain't dead, I'ma kill it 'cause it's killing me

Cold world, they'll be living in a fantasy

Got me, it's the only thing I'll ever need

Heaven help me, if love ain't dead, I'ma kill it 'cause it's killing me

Love is a drug, methamphetamine

D-A-R-E, they'll be hooked on me

Hit 'em with the Bible, say, whoa

Hit 'em with the drive-by, say, whoa

Hit 'em with the dry cry, say, whoa

Then you get a new guy, hello

Even if you are the love of my life (Oh, yeah, oh, yeah, oh, yeah)

Sorry, baby, I got too much pride

Heaven help me, if love ain't dead, I'ma kill it 'cause it's killing me

Cold world, they'll be living in a fantasy

Got me, it's the only thing I'll ever need

Heaven help me, if love ain't dead, I'ma kill it 'cause it's killing me

Love is a drug, methamphetamine

D-A-R-E, they'll be hooked on me

Heaven help me, if love ain't dead, I'ma kill it 'cause it's killing me

Ooh, can I get an amen? (Amen)

Been thinkin' about you, thinkin' about you, thinkin' about you, baby

If love didn't drive me crazy, maybe I'd be your baby  
Trust, baby, you can't make me, beg or try to change, hey
