

# Electric Relaxation

## A Tribe Called Quest

Relax yourself girl, please set-tle down  
Relax yourself girl, please set-tle down  
Relax yourself girl, please set-tle down  
Relax yourself girl, please set-tle down Honey, check it out, you got me mesmerized  
With your black hair and your fat-ass thighs  
Street poetry is my everyday  
But yo, I gotta stop when you trot my way  
If I was working at the club you would not pay  
Aiyyo, my man Phife Diggy, he got something to say  
I like 'em brown, yellow, Puerto Rican or Haitian  
Name is Phife Dawg from the Zulu Nation  
Told you in the jam that we can get down  
Now let's knock the boots like the group H-Town  
You got BBD all on your bedroom wall  
But I'm above the rim and this is how I ball  
A gritty little something on the New York street  
This is how I represent over this here beat  
Talking 'bout you Yo, I took you out  
But sex was on my mind for the whole damn route  
My mind was in a frenzy and a horny state  
But I couldn't drop dimes cause you couldn't relate Relax yourself girl, please set-tle down  
Relax yourself girl, please set-tle down  
Relax yourself girl, please set-tle down  
Relax yourself girl, please set-tle down  
Stretch out your legs, let me make you bawl  
Drive you insane, drive you up the wall  
Staring at your dome-piece, very strong  
Stronger than pride, stronger than Teflon  
Take you on the ave and you buy me links  
Now I wanna pound the poontang until it stinks  
You can be my mama and I'll be your boy Original rude boy, never am I coy  
You can be a shorty in my ill convoy  
Not to come across as a thug or a hood  
But hon, you got the goods, like Madelyne Woods  
By the way, my name's Malik  
The Five-Foot Freak  
Let's say we get together by the end of the week  
She simply said, "No", labelled me a ho  
I said, "How you figure?" "My friends told me so"  
I hate when silly groupies wanna run they yap  
Word to God, hon, I don't get down like that I'll have you weak in the knees that you could  
hardly speak

Or we could do like Uncle L and swing an ep in my jeep  
Keep it on the down, yo, we keep it discreet  
See, I'm not the type of kid to have my biz in the streets If my mom don't approve, then I'll just  
elope  
Let me save the little man from inside the boat  
Let me hit it from the back, girl I won't catch a hernia  
Bust off on your couch, now you got Seaman's Furniture Shaheed, Phife and the Extra P  
Stacy Beadle, PJ and my man L.G  
They know the Abstract is really soul on ice  
The character is of men, never ever of mice  
Shorty let me tell you about my only vice  
It has to do with lots of loving and it ain't nothing nice Relax yourself girl, please set-tle down  
Relax yourself girl, please set-tle down  
Relax yourself girl, please set-tle down  
Relax yourself girl, please set-tle down Keep bouncing
