

Lean On

Kurt Hugo Schneider & MAX

[Verse 1]

Do you recall, not long ago
We would walk on the sidewalk?
Innocent, remember?

All we did was care for each other[Pre-Chorus 1]

But the night was warm
We were bold and young
All around, the wind blows
We would only hold on to let go
Let go, Let go, Let go, Let go
Let go, Let go, Let go, Let go
Let go, Let go, Let go, Let go
All we need is somebody to lean on
We need someone to lean on[Chorus]

Blow a kiss, fire a gun
We need someone to lean on
Blow a kiss, fire a gun
All we need is somebody to lean on
Blow a kiss, fire a gun
We need someone to lean on
Blow a kiss, fire a gun

All we need is somebody to lean on[Verse 2: MØ]

What will we do when we get old?
Will we walk down the same road?
Will you be there by my side?
Standing strong as the waves roll over

[Pre-Chorus 2]

When the nights are long
Longing for you to come home
All around the wind blows
We would only hold on to let go[Chorus]

Blow a kiss, fire a gun
We need someone to lean on
Blow a kiss, fire a gun
All we need is somebody to lean on
Blow a kiss, fire a gun
We need someone to lean on
Blow a kiss, fire a gun

All we need is somebody to lean on[Bridge]

All we need is somebody to lean on
(We need someone to lean on)
All we need is somebody to lean on

Lean on, lean on, lean on, lean on...
Hey, hey, hey, hey
Hey, hey, hey, hey, hey, hey...[Chorus]
Blow a kiss, fire a gun
We need someone to lean on
Blow a kiss, fire a gun
All we need is somebody to lean on
Blow a kiss, fire a gun
We need someone to lean on
Blow a kiss, fire a gun
All we need is somebody to lean on
