

Bigger Love

John Legend

[Intro]

Yeah

[Verse 1]

I don't wanna think about nothing
Just watching you dancing
Feel like the beginning of something (Something)

[Post-Verse 1]

In the end, in the end
All I wanna do is just fall in
I don't wanna think about nothing

[Verse 2]

Everybody got so much to say
Every time we pushing away
Everyday, a new reason to stay

[Chorus]

'Cause we got a bigger love (Oh yeah, yeah)
Won't ever give it up (Oh yeah, yeah)
We got a one-way ticket love
We ain't going no place but up
Nothing can stop this, uh
No one can top us
We got a bigger love (Oh yeah, yeah)

[Verse 2]

I don't wanna think about nothing
The world feels like it's crumbling
Everyday, another new something

[Post-Verse 2]

But in the end, in the end
Can't nobody do us in
I just wanna think about loving

[Chorus]

'Cause we got a bigger love (Oh yeah, yeah)
Won't ever give it up (Oh yeah, yeah)

We got a one-way ticket love
We ain't going no place but up
Nothing can stop this, uh
No one can top us
We got a bigger love (Oh yeah, yeah)
(Oh yeah, yeah)

We got a bigger love
Won't ever give it up (Love, love, love), no
We got a one-way ticket love
We ain't going no place but up
Nothing can stop this (No)
No one can top us
Oh, we got a bigger love (Oh yeah, yeah)
Won't ever give it up (Oh yeah, yeah)
We got a one-way ticket love
We ain't going no place but up
Nothing can stop this
No one can top us

'Cause we got a bigger love (Oh yeah, yeah)
Oh, won't ever give it up, no (Oh yeah, yeah)
We got a one-way ticket love
We ain't going no place but up
Nothing can stop this
No one can top us
We got a bigger love
