

Devil in Me (feat. Joe Killington & Duane Harden)

Purple Disco Machine

Yeah
You bring out the devil in me
Girl your loving has got me crazy
You bring out the devil in me
I sold my soul to be with you baby
My momma told me, you would break my heart
You better run boy, you better go far
Had my daddy told me, you're the girl that I need
But all you do is bring me down to my knees
I'm a good man
But you make me bad, you make me bad, oh baby
I'm a good man
But you make me bad, you make me bad, you make me bad
You bring out the devil in me
Girl your loving has got me crazy
You bring out the devil in me
I sold my soul to be with you baby
You bring out the devil in me
Girl your loving has got me crazy
You bring out the devil in me
I sold my soul to be with you baby, baby
Take my money, leave me out in the rain
To love you, I would have to be insane
There's nothing, that I wouldn't do
I'mma need your burn, I'm a devil with you
I'm a good man
But you make me bad, oh baby
I'm a good man
But you make me bad, you make me bad
You bring out the devil in me
Girl your loving has got me crazy
You bring out the devil in me (bring out the devil in me)
I sold my soul to be with you baby
You bring out the devil in me
Girl your loving has got me crazy
You bring out the devil in me
I sold my soul to be with you baby, baby (with you baby, with you baby, baby)
