

My Tears Are Becoming a Sea

M83

I'm slowly drifting to
You
The stars and the planets Are calling me
A billion years
Away
From you I'm on my way
I'm on I'm on (music)
... (music)
(music)
... (music)
(music)
... (music)
(music)
... (music)
(music)
... (music)
(music)
