

Separation. (feat. Arin Ray)

Kiana Ledé

[Chorus: Kiana Lede]

Do you think about me when I'm gone?

Do you think about me when you need your space?

Do you think about me when you're horny?

Do you think about me every fucking day?

Let me know, let me know

I gotta know

I gotta know, I gotta know

[Verse 1: Kiana Lede]

I've been thinking 'bout separation, if you gon' miss it

That you can locate that destination when you get home

And I'm hoping that distance gon' make you wanna kiss it

My pussy like a vacation that you've been waiting on

And when you're all alone

I hope that you wishing I could sit up on it

What you working on?

Only one for the job, boy, you gon' get it done

[Chorus: Kiana Lede]

Do you think about me when I'm gone?

Do you think about me when you need your space?

Do you think about me when you're horny?

Do you think about me every fucking day?

Let me know, let me know

I gotta know

I gotta know, I gotta know

[Verse 2: Arin Ray]

Yes, I'm always thinking 'bout you

Yes, it's lonelier without you

Yes, I always wanna fuck

Yes, I'm equally in love

Like when I see you pull up in your Bentley truck, that's what

Keep a nigga in the vibe, baby

After work, I wanna slip inside, baby

That spotlight looking really nice lately

See, I ain't gotta think twice 'bout my lady

[Chorus: Kiana Lede, Arin Ray, Both]

Do you think about me when I'm gone? (Oh, yeah)

Do you think about me when you need your space? (Oh, yes, I do, baby)

Do you think about me when you're horny?

Do you think about me every fucking day?

Let me know (Yeah), let me know (Ayy)

I gotta know

I gotta know (I just wanna know), I gotta know

Said you gotta know, baby

Do you think about me when I'm gone? (Oh)

Do you think about me when you need your space? (Oh, all the time)

Do you think about me when you're horny? (All night)

Do you think about me every fucking day? (Yeah, yeah, yeah)

Let me know (I'll let you know)

Let me know (I'll let you know)

I'll let you know, oh-oh, oh

I gotta know, I gotta know (Mm-mm, yeah)
