

# Shut up About Politics (feat. The Five)

[John Rich](#)

Shut up about politics  
Ain't nothing but a big pile of dirty tricks  
I'm tired of all the fighting and the bitching fits  
So shut up about politics You punch left, I punch right  
We're caught up in the middle of a deep swamp fight  
Some people lie, some people steal  
And everybody's talking 'bout the great new deal Shut up about politics  
Ain't nothing but a big pile of dirty tricks  
I'm tired of all the fighting and the bitching fits  
So shut up about politics  
All this [?] carrying on  
It's been going on a little too long  
But I got something to fix us all up  
Take a shot of my whiskey from a big red cup Shut up about politics  
Ain't nothing but a big pile of dirty tricks  
I'm tired of all the fighting and the bitching fits  
So shut up about politics Shut up about politics  
Ain't nothing but a big pile of dirty tricks  
I'm tired of all the fighting and the bitching fits  
So shut up about politics  
Shut up about politics  
Ain't nothing but a big pile of dirty tricks  
I'm tired of all the fighting and the bitching fits  
So shut up about politics Shut up about politics  
So shut up about politics
