

# Get What You Give

Felix Cartal

Wake up kids we've got the dreamers disease  
Age 14, we got you down on your knees  
So polite you're busy still saying please, please  
Frenemies who when you're down ain't your friend  
Every night we smashed their Mercedes Benz  
First we run and then we laughed till we cry, cry But when the night is falling  
You cannot find the light, light  
You feel your dreams are dying  
Hold tight, you've got the music in you  
Don't let go, you've got the music in you  
One dance left, this world is gonna pull through  
Don't give up, you've got a reason to live  
Can't forget, we only get what we give  
We only get what we give  
Don't let go, you've got the music in you  
One dance left, this world is gonna pull through  
Don't give up, you've got a reason to live  
Can't forget, we only get what we give 4 AM, we ran a miracle mile  
We're flat broke, but hey we do it in style  
The bad rich, God's flying in for your trial, trial But when the night is falling  
You cannot find a friend, friend  
You feel your tree is breaking  
Just bend, you've got the music in you  
You've got the music in you  
You've got the music in you  
Don't let go, you've got the music in you  
One dance left, this world is gonna pull through  
Don't give up, you've got a reason to live  
Can't forget, we only get what we give  
We only get what we give  
Don't let go, you've got the music in you  
One dance left, this world is gonna pull through  
Don't give up, you've got a reason to live  
Can't forget, we only get what we give You've got the music in you  
You've got the music in you
