

Running

John Newman

100 years, 2000 miles
To you I'd run through day and night
We've got to finish what we started
We've got a lot to rescue darling My shirt is torn, the shoes are worn
My birth's been drawn but still I'm strong
I feel like I'm a force of nature
But guess who made you my creator(Pre-)
Tryin stop a river when it wants to rise
Tryin to stop a blaze off a burning fire
I'm a hurricane, it ain't stopping
No no no
And I keep... keep running
I keep... keep running
I keep... keep coming back for more, no no
Keep running
I keep... keep running
I keep... keep coming back for more, no I've got to tell you know I've crossed the time
I've crossed through time
And giving up never crossed my mind
I feel like I'm a force of nature
But guess who made you my creator(Pre-)
Tryin stop a river when it wants to rise
Tryin to stop a blaze off a burning fire
I'm a hurricane, it ain't stopping
No no no
And I keep... keep running
I keep... keep running
I keep... keep coming back for more, no no
Keep running
I keep... keep running
I keep... keep coming back for more, no
Yea I keep...(Pre-)
Tryin stop a river when it wants to rise
Tryin to stop a blaze off a burning fire
I'm a hurricane, it ain't stopping
No no no And I keep... keep running
I keep... keep running
I keep... keep coming
Keep running
I keep... keep running
I keep... keep coming And I keep... keep running
I keep... keep running

I keep... keep coming back for more, no no
Keep running
I keep... keep running
I keep... keep coming back for more, no
