

# All Around the World

Justin Bieber

[Verse 1: Justin Bieber]

You're beautiful, beautiful, you should know it  
(You're beautiful, beautiful, you should know it)  
I think it's time, think it's time that you show it  
You're beautiful, beautiful  
(Go go, go, go)

[Pre-Chorus: Justin Bieber]

Baby, what you doin'?  
Where you at? Where you at?  
Why you acting so shy?  
Holdin' back, holdin' back  
We're not the only ones doin' it like that, it like that  
So DJ, bring that, bring that, bring that, bring that back

[Chorus: Justin Bieber]

'Cause all around the world, people want to be loved, yeah  
'Cause all around the world, they're no different than us, no  
All around the world, people want to be loved  
All around the world, they're no different than us  
All around the world-world-world  
All around the world-world-world

[Verse 2: Justin Bieber]

You're crazy girl, crazy girl, you should know it  
(You're crazy girl, crazy girl, don't control it)  
Light it up, light it up, so explosive  
You're crazy girl (Yeah yeah)

[Pre-Chorus: Justin Bieber]

Baby, what you doin'?  
Where you at? Where you at?  
Why you acting so shy?  
Holdin' back, holdin' back  
We're not the only ones doin' it like that, it like that  
So DJ, bring that, bring that, bring that, bring that back

[Chorus: Justin Bieber]

All around the world, people want to be loved, yeah  
All around the world, they're no different than us, no

All around the world, people want to be loved  
All around the world, they're no different than us  
All around the world-world-world  
All around the world-world-world

[Post-Chorus: Ludacris & (Justin Bieber)]

Yeah (Okay)

Once again (All around the world-world-world)  
The dynamic duo is back at it  
JB, Luda

[Verse 3: Ludacris]

I love everything about you, you're imperfectly perfect  
Everyone's itchin' for beauty, but just scratching the surface  
Lost time is never found, can the DJ please reverse it?  
In life we pay for change, let's make every second worth it  
Anything can work if you work it  
When people say you don't deserve it, then don't give in  
'Cause hate may win some battles, but love wins in the end  
You shine just like the sun while the moon and the stars reflect your light  
Beauty revolves around you, it's only right that

[Chorus: Justin Bieber]

All around the world, people want to be loved  
All around the world, they're no different than us  
All around the world  
(All around the world, the world, people wanna be loved)  
All around the world  
(All around the world, the world, they're no different than us)  
All around the world  
(All around the world, the world, people wanna be loved)  
All around the world  
(All around the world, the world, they're no different than us)  
All around the world-world-world
