

When I'm Down

Whethan & Oliver Tree

[Chorus]

My head blows up when I'm alone
Inside out, I might explode
I shut my eyes and my mouth and my legs just gave out
Why in the world would you hit me when I'm down?

[Refrain]

When I'm down
When I'm down
When I'm down
When I'm down
When I'm down

[Verse]

I get lost in and out when you walk in and out
Turn my hair in a knot, I get stomped in the ground
When I'm down
When I'm down
I get lost in and out when you walk in and out
Turn my hair in a knot, I get stomped in the ground
When I'm down
When I'm down
When I'm down
When I'm down

[Chorus]

My head blows up when I'm alone
Inside out, I might explode
I shut my eyes and my mouth and my legs just gave out
Why in the world would you hit me when I'm down?

[Refrain]

When I'm down
When I'm down
When I'm down
When I'm down

[Bridge]

I'm down if you're down, there's no way around it

I'm down if you're down, there's no way around it

[Refrain]

When I'm down

When I'm down

When I'm down

When I'm down
