## King Lil G

Puttin' purple in the soda  
Twist this marijuana  
Do you wanna fo' sho fo' sho  
Whippin' in this rover  
Telling you to come over  
I got a question for ya  
That Go that go  
Do you wanna fuck?  
Will you roll up on me, yeah  
Do you wanna some?  
Cuz I'm down  
Now are you down for it?  
Tell me about the places you wanna go  
Its maybe some place you never Been  
Can i bring Marijuana & 2 of my friends  
Maybe to the south of France  
Maybe it's a country that's on the map  
Maybe a country you cant pronounce  
And they playing some music  
You never heard  
For some reason  
They still make your body bounce  
Imagine that place  
Was surrounded by beautiful people  
And people was treated equal  
No one would talk about race  
Or Color of Skin  
And judging would be illegal  
Me & You in the parking lot  
Smoking blunt After blunt  
And you giving me details  
About the why you fuck  
And the way you kiss  
And the way you touched  
I know that you went through some things  
But Regardless Of that I'm the one to  
Trust  
I'm the one That'll kiss you& Give you Love  
When you feel like down and you givin' up  
When you feel like nobody else give A  
Fuck  
When you feel like friendship Is not enough

I'm be there to stare in your eyes  
And you tell me My live Is confident  
And Tell you how long  
I been waitin' for someone like you  
All these hoes be gossin'  
Do you like to smoke?  
Do you like to Fuck?  
Can You roll this weed?  
And make me perfect blunts?  
We haven't talked in a while  
We haven't fucked in a while  
I been fuckin' with someone else  
But I know you care  
And you hold me down  
I appreciate all the pictures you sent me  
When i was struggle in jail  
When i was Feelin' by myslef  
You knew exactly what I felt  
Baby thoughts about us  
Layin' in bed with some blunts  
Layin' in bed with some cups  
Kissin' with passionate love  
With expensive lenin's & Italian Rugs  
Thank God you were part of my destiny  
Got a lot of haters  
Got some Enemies  
Got some thirsty bitches  
Tryin' to get with me  
2 at a time trying to live with me  
Got a reputation of A savage  
Model bitches Not the average  
Used to roll around doing damage  
Don't know how I did but I manage  
She was a good girl now my personal stripper  
im not on the grind then I'm kickin' it  
with her  
Summer she act like she shingle  
Then we started Fuckin' in the winter  
Do you like to smoke? (smoke)
