

SHOOTING STAR (CHILL REMIXX)

XG

[Intro]

(Ooh, ah, I'm lookin' so lavish)

[Pre-Chorus: Chisa, Juria]

Babe, if I give it my all, will it pay off?

Workin' overtime, no days off

All these shootin' stars in the dark (Yeah)

All these shootin' stars in the dark, make a wish (Yeah)

Takin' off from the ground, it's amazin'

So outta this world, I'm in space

Now I'm goin' up, headin' to the stars

Wouldn't trade it out for another life, no

[Chorus: Hinata, Jurin]

Yeah, we ridin', ridin', ridin' on up

So shinin', shinin', shinin' for sure

Ooh, ah, I'm lookin' so lavish

Ooh, ah, put in work like it's a habit

It's a big move, every day's like a dream

Makin' big moves, yeah, we do it for our team

Ooh, ah, I'm lookin' so lavish

Ooh, ah, yeah, I bet you can't imagine

[Drop: Hinata]

Ooh, ah, I'm lookin' so lavish

(Uh-uh, uh)

Takin' off from the ground, it's amazin'

Ooh, ah, I'm lookin' so lavish

[Pre-Chorus: Chisa, Juria]

Babe, if I give it my all, will it pay off?

Workin' overtime, no days off

All these shootin' stars in the dark (Yeah)

All these shootin' stars in the dark, make a wish (Yeah)

Takin' off from the ground, it's amazin'

So outta this world, I'm in space

Now I'm goin' up, headin' to the stars

Wouldn't trade it out for another life, no

[Chorus: Maya, Cocona]

Yeah, we ridin', ridin', ridin' on up

So shinin', shinin', shinin' for sure

Ooh, ah, I'm lookin' so lavish

Ooh, ah, put in work like it's a habit

It's a big move, every day's like a dream

Makin' big moves, yeah, we do it for our team
Ooh, ah, I'm lookin' so lavish
Ooh, ah, yeah, I bet you can't imagine

[Drop: Hinata]
Ooh, ah, I'm lookin' so lavish
(Uh-uh, uh)
Takin' off from the ground, it's amazin'
Ooh, ah, I'm lookin' so lavish

[Outro]
(Ooh, ah, I'm lookin' so lavish)
