

# Difference Maker

## NEEDTOBREATHE

[Verse 1]

Yeah, isn't it amazing how a man can find himself alone?  
Call into the darkness for an answer that's he's never known  
Yeah, isn't it amazing how a God can take a broken man  
Yeah, let him find a fortune, let him ruin it with his own two hands?

[Pre-Chorus]

And he climbs on up the hill  
On the rock on which he stands  
He looks back at the crowd  
And he looks down at his hands and he says  
I am a difference maker

[Chorus]

Oh, I am the difference maker  
Oh, I am the only one that speaks to him  
I am the friendliest of friends of God

[Verse 2]

I am on the fence about nearly everything I've seen  
And I have felt the fire get put out by too much gasoline  
And we're all strangers passing through a place and time, an afternoon

Life is but a vision in a window that we're peeking through  
Helpless conversation with a man who says he cares a lot  
It's a passive confrontation about who might throw a punch or not  
And we are all transgressors, we're all sinners, we're all astronauts  
So if you're beating death then raise your hand, but shut up if you're not

[Chorus]

'Cause I am a difference maker  
Oh, I am the only one that speaks to him  
I am the friendliest of friends of God  
I am a difference maker  
Oh, I am the only one that speaks to him  
I am the friendliest of friends of God
